GARDEN RESOURCE CENTER

A Tool-Lending Library & Garden Supply Depot

A project of Grow Pittsburgh since 2014, the Garden Resource Center (GRC) serves residents of Allegheny County by reducing barriers to growing food while strengthening urban garden communities.

How the GRC can help you

Do you need to build a fence, break new ground at your garden, cover crop a small area, or test your soil?

We loan a variety of tools for gardening, farming, landscaping and tree-tending!

Bulk Gardening Materials

- Soil
- Compost
- Straw
- Wood Chips
- Row Cover

Tools

- Power Tools
- Carpentry Tools
- Tillers
- Hand Tools

Additional Resources

- Organic Soil Amendments
- Organic Pest Control Supplies
- Cover Crop Seed
- Gardening Library

We regularly add new tools to our inventory. Visit the GRC in person or check the website for a full inventory list.
