

Garden Resource Center: How it Works

Who can access the Garden Resource Center?

The Garden Resource Center is available to backyard gardeners, community gardeners, and locally-owned small businesses and nonprofits who are working to either produce food for themselves or others, or provide a service that aides the food-growing process.

Garden Resource Center Eligibility

To gain access to the Garden Resource Center:

- Complete and sign the Application form
- Sign Policies & Conditions form
- Be at least 18 years old and live in Allegheny County. Must provide proof of residency through a utility bill **OR** lease agreement.
- Show current Driver's License or state issued photo ID
- Pay annual fee

Garden Resource Center Levels

The fee to register for the Garden Resource Center enables us to replace broken tools and add additional tools and materials to the Center's inventory. Registered members will receive email updates about new tools/materials and a Grow Pittsburgh newsletter subscription.

Individual Gardener \$40**

For backyard gardeners, individual community gardeners, and small-scale businesses.

- Ability to borrow up to 5 tools at one time
- Unlimited access to wood chip mulch
- Limited quantities of straw mulch, compost, seed, organic amendments, and IPM supplies as available

Community Garden \$80*

For community gardens, community farms, and food pantry gardens serving multiple community members.

- **Ability to borrow an unlimited number of tools, as available**
- Unlimited access to wood chip mulch
- **Larger quantities** of straw mulch, compost, seed, organic amendments, and IPM supplies as available

*Need assistance? Show your SNAP EBT benefit card or fill out a form at the check-in desk to receive a price reduction.

**Are you a Grow Pittsburgh member? Receive a \$10 discount off of the Individual Gardener level.
