

## Nick's Raised Bed Recipe

### Makes (1) 4'x 4' Bed

- 6 big bags of Pine Bark Mulch *Note, get the mini-buggest, NOT the big ones. Make sure it looks like the pictures.*
- 1 or 2 bag of potting soil, coconut coir, OR 2 buckets compost OR half a bag of Peat Moss
- 8 ounces Feathermeal (for Nitrogen)
- 10 ounces Rock phosphate (for Phosphorous, P)
- 2 ounces Potassium sulfate (potash) for Potassium (K)
- 2 ounces Dolomite Lime (for Ca & Mg)
- OPTIONAL: 1 ounce Azomoite or Kelp meal (for micronutrients)

Mix thoroughly with a fork or shovel.

Wet with some water (or let it get rained on) and you are ready to plant!
