

RAFFLES!

WORKSHOPS!

HARVEST SWAP!

A branch of oak leaves with vibrant green, lobed leaves, extending from the top left towards the center of the page.

FREE SOIL LEAD SCREENING

*with soil contamination and
remediation information*

**ALLEGHENY COUNTY
CONSERVATION DISTRICT**

GROW PITTSBURGH

AND PARTNERS

**AUGUST 19TH
12:00 to 3:00PM**

Location:

Garden Dreams

806 Holland Ave,

Wilkinsburg, PA 15221

Join the Allegheny County Conservation District and partners on August 19th to learn why soil lead contamination is a serious problem in **Wilkinsburg** and a potential risk to children and gardeners. Bring a properly collected, **dry** soil sample from your yard or garden and we will screen it for lead and other heavy metals **instantly and free of charge**. Staff will be on hand to answer questions and provide information on cleanup and remediation strategies. Stick around for a community celebration featuring raffles, workshops, a harvest swap and other fun activities!

**FOR MORE INFO ON SOIL COLLECTION, CONTACT:
JONATHAN BURGESS (ACCD) @ (412) 291-8017**

Instructions on how to collect a soil sample can be found at:

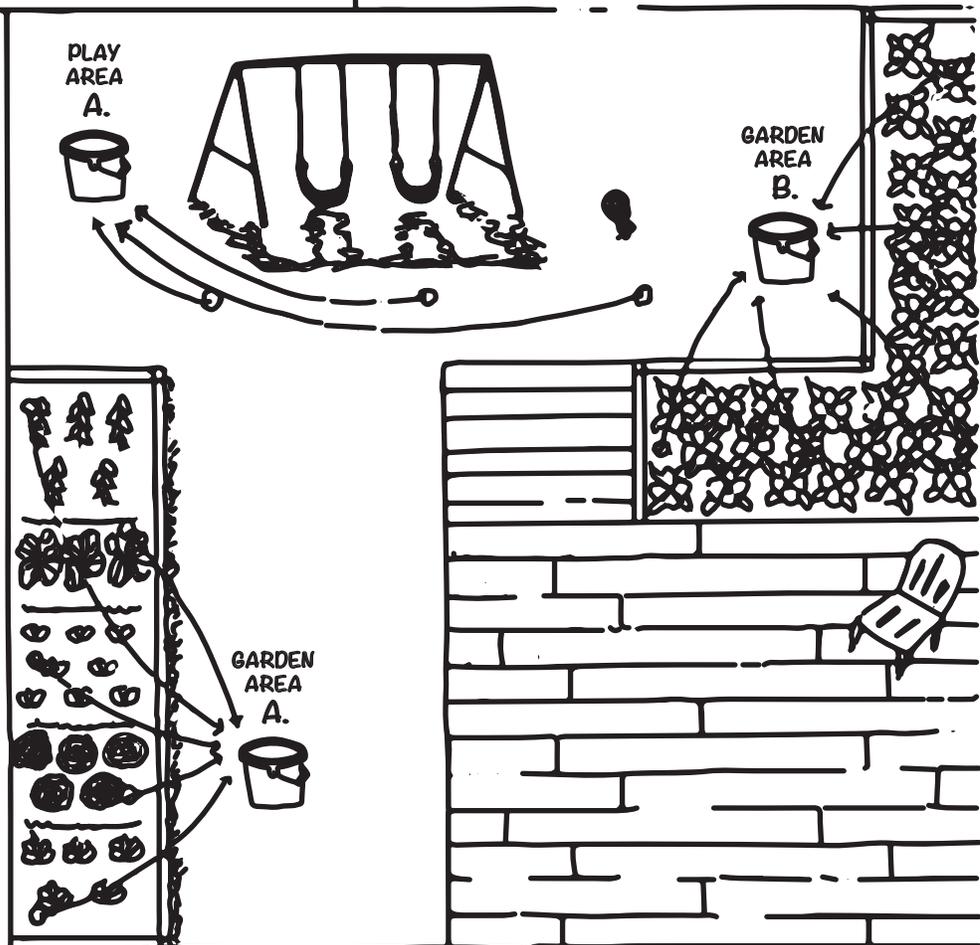

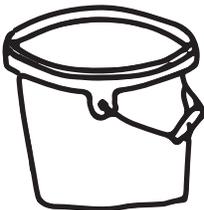

<https://tinyurl.com/TestYourSoil>
